Corent SurPaaS Marketizer Now Available in the Microsoft Azure Marketplace

Microsoft Azure customers worldwide now gain access to Corent's SurPaaS Marketizer to take advantage of the scalability, reliability and agility of Azure to drive application development and shape business strategies.

ALISO VIEJO, California — May 27, 2020 — Corent Technology, a leader in Microsoft Azure cloud migration, optimization and SaaSification technology, today announced the availability of SurPaaS Marketizer in the Microsoft [Azure Marketplace](#), an online store providing applications and services for use on Azure. Corent Technology customers can now take advantage of the productive and trusted Azure cloud platform, with streamlined deployment and management.

Publish your software application in the Azure Marketplace within hours, with no programming or Azure Marketplace API integration, for free for one month, and with no obligations, using Corent [SurPaaS Marketizer](#)!

SurPaaS Marketizer integrates your application with Azure Marketplace rapidly and seamlessly by directly connecting with the marketplace, and you don't have to worry about manually integrating Azure Marketplace APIs.

“Monetization through Azure Marketplace is a key piece of the cloud journey for ISVs, and we are very pleased to be offering a robust automated tool to rapidly publish applications on Azure Marketplace,” said Sean Jazayeri, Senior Executive, Strategic Alliances, Corent Technology.

Sajan Parihar, Senior Director, Microsoft Azure Platform at Microsoft Corp. said, “We’re pleased to welcome Corent’s SurPaaS Marketizer to the Microsoft Azure Marketplace, which gives our partners great exposure to cloud customers around the globe. Azure Marketplace offers

world-class quality experiences from global trusted partners with solutions tested to work seamlessly with Azure.”

The Azure Marketplace is an online market for buying and selling cloud solutions certified to run on Azure. The Azure Marketplace helps connect companies seeking innovative, cloud-based solutions with partners who have developed solutions that are ready to use.

About Corent Technology

Corent, a Microsoft gold partner, has developed a platform that enables and automates some of the most complex, time-consuming and labor-consuming cloud migration, modernization and management tasks. SurPaaS is used by clients and partners to accelerate and automate scanning/discovery, cloud migration, PaaS integration, containerization, SaaS enablement, marketplace publishing, and cost optimization, providing an integrated platform for the entire cloud journey.
